The instructions in this section are for travel agencies, tourist sector companies, education centres or other intermediaries who wish to make a visit to the monument with their own guide.

MAKING BOOKINGS

- **Bookings must be made with at least 15 days' notice.** We cannot guarantee that bookings made at shorter notice will be accepted.
- All bookings must be sent to the **central booking office**, at Santes Creus Royal Monastery, by email to reservesmonuments.acdpc@gencat.cat.
- To make the booking, the following information must be provided using the **booking form for external organised groups** available from the booking office: **date, time and duration** of the visit, **name and phone number or email address of the contact person from the company** making the booking (in order to send the confirmation letter to them), **name and telephone number or email address of the contact person for the group** visiting the monument, **total number of visitors, number of groups, number of accompanying persons, type of group and/or educational level** (school party, group of adults, etc.) **and origin of the group** (village, town or city, name of the education centre, association, travel agency, tour operator, etc.). If any member of the group has special educational needs and/or reduced mobility, this must be mentioned when making the booking. This information is required to ensure that the monument has the capacity to accept the booking, as well as to adapt the tour and the audio-visual screenings to the characteristics of the group.

- If all the information is supplied, the booking office will send a **confirmation letter** in the week prior to the tour detailing the time arranged for the group to enter the monument. If the information supplied is not complete, the booking office will return the booking form by email.
- On the day of the tour, the person responsible for the group must present the confirmation letter at the entrance to the monument. It is important that you carefully check the booking identification details and the specifications given in this letter. If it is found that the details provided by the company in the booking form do not match those of the group that arrives at the monument, **the booking office reserves the right to cancel the tour.**
